RE: Scope determination on countervailing duty order on aluminum extrusions from the People's Republic of China (C-570-968).

1. On 11/14/2012, in response to a request by Sigtex Lighting, Inc. ("Sigtex"), Commerce issued a final scope determination that the three mounting plate models, 140400 CRR Trimplate, 136500 CRS Canopy, and 140100 RPR Canopy, imported by Sigtex are within the scope of the countervailing duty order on aluminum extrusions from the People's Republic of China ("PRC"), (C-570-968).
2. Because the 140400 CRR Trimplate, 136500 CRS Canopy, and 140100 RPR Canopy mounting plate models are extruded aluminum parts that do not meet any of the exclusions from the scope of the Order, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of aluminum extrusions from the PRC, including the 140400 CRR Trimplate, 136500 CRS Canopy, and 140100 RPR Canopy mounting plate models imported by Sigtex as described above, subject to the countervailing duty order on aluminum extrusions from the PRC.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O8:RS.)
5. There are no restrictions on the release of this information.

Michael B. Walsh
